

In Editor's Words

There is so much hustle-bustle in the school on a quotidian basis as several fun-packed yet learning oriented activities are held or organized.

Our teachers and students have so much interesting and exciting to talk about and share and that is why we thought of sharing the precious moments with our extended fraternity through our Newsletter, Aaroh.

We hope that you will like each and every syllable and images and appreciate the upward learning curve of our teachers and students. We warmly invite your suggestions regarding the scope for improvement.

Happy Reading!

He invested 20 students with badges that include Achal Dosi (Head Boy), Vidushi Kesharwani (Head Girl), Shobhit Jain (Sports Captain), Jhanvi Sarda (Cultural Captain), Priyanshu Patel (Captain-Darwin), Devesh Khemani (Captain-Edison), Sanya Mehta (Captain-Einstein), Kushagra Sharma (Captain-Newton) to name a few.

Global Connect British Council ISA Award

We have associated with British Council and have registered for the International School Award (2016-17). The British Council's International School Award supports the school in embedding international learning into the curriculum. Working towards it gives pupils and teachers a new perspective on the world, and the skills to work in a global economy. As a pre-requisite for the Award, the school has undertaken 7 projects in partnership with various schools overseas to be completed over the academic year. A glimpse of the projects completed are exhibited here.

Libaaz Ramp walk show

As part of the ISA project, a ramp show by the tiny tots of Grade-I was conducted to make children aware about different clothing in India and around the world. Many parents were invited to be guests of honour for the function and the ramp walk by little yet highly confident children was a feast for the eyes of the audience.

Urging for a Cause- Street Play on Trees: Our Lifeline

Our students showcased a wonderful street play on "Trees: Our lifeline", under the project-'Save Planet Earth: Protect and Plant Trees' at C21 Mall, Indore before a huge gathering of shoppers. People were spellbound by the actions and dialogues of students which bugle a strong clarion call to save planet Earth by protecting and planting more trees.

We are also Living-Beings- Presentation on Endangered Animals

A presentation on endangered animals and a skit on wildlife conservation by the students of Classes KG-II, III & VI under the project "Save Animals-Save life" was held on "World Animals Day". The response from the audience was overwhelming.

Learning and Fun Outside the Campus- Educational and Informative Excursions

Zoo visit

The students of Classes II-VI visited the Zoo at Indore. It was a new kingdom for them altogether and they learned a great deal about wild animals and their behavior.

Educational Trip to Lonavala

Educational trip was organized from 8th- 12th October, 2016 to Lonavala, Mumbai & Imagica Amusement Park and the experience for the students and teachers' accompanying them was exhilarating.

Learning skills in galore- Learning in fun-filled manner begins

Be it gross & fine motor skills, prewriting practice or getting introduced to letters of the alphabet and numbers, they enjoy it all and to the hilt.

Competitions Corner

Intra-class and Inter-House Competitions

The students participated in various intra-class and inter-house competitions related to Extempore, Dance, Shloka recitation, Hindi Poem recitation, Rangoli making, Collage making, Salad dressing, and Diya Decoration.

Inter-School Competitions

Our skating team participated in School Skate Roller Shoot Ball National Championship, 2016 at Ujjain and secured 1st position in Under-12 and 2nd position in Under-14 categories respectively. Yuvraj Chowda and Hardik Dhoot represented the school in Under-12 category and Rishabh Sahu, Harsh Purohit, Yuvraj Jain and Jivitesh Ram represented the school in Under-14 category.

Competitive Edge - ALLEN Collaboration

In order to brighten the chances of the students in competitive examinations related to Engineering and Medical, an association is formed with one of the renowned and reputed coaching institutions, ALLEN.

Our Green Bit- Tree Plantation Drive

The Principal, teachers and students planted saplings on the school campus and took an oath to protect environment and keep the surroundings clean and green.

Our Achievers'

It's a proud moment for the school as three of our students, Ms. Yoshita Sharma of Class VIII, Ms. Himani Sharma of Class III and Master Kritagya Sharma of Class I left their strong imprints during 21st UCMAS International Competition held at Dubai. Ms. Yoshita Sharma became the Champion of the Competition whereas Ms. Himani Sharma and Master Kritagya Sharma secured third positions. Over 2,500 students from 57 countries worldwide participated in the Competition but our children stole the show.

Our sense of elation and joy knows no bounds and we all are preparing continuously to have numerous such proud moments time and again.

Learning New and Changing Trends- Workshop on Cyber Crime

Mr. Varun Kapoor, a decorated IPS Officer and an expert on Cyber Crime took a workshop on Cyber Crime that acted as an eye-opener for teachers and students alike.

Celebrations Corner at SRCS

An Ode to the Torchbearers- Teacher's Day Celebration

The students celebrated Teacher's Day on September, 5 2016 with great fervor and energy. The senior students assumed the role of teachers and selected events were organized to entertain the teachers. Bouquets, titles, and greeting cards were given to the teachers by the students to express their gratitude and affection.

Enjoyment Boundless- Observing different festivals

The children participated in various events and celebrated festivals with fervor and enthusiasm. Eid-Ul-Fitr, Navratras, Deepawali, Rakshabandhan, Janmashami, and Independence Day.

Good Health has no Substitute- Health Camp at SRCS

Dr. Meghna Kelker (Pediatrician), Dr. Heena Bhandari (Ophthalmologist) and Dr. Chetan Patidar (Child Dentist) organized an in-campus Health Camp on 19 October, 2016 for the middle school students where they examined the students for their dental hygiene, vision and the physical fitness. The Body Mass Index (BMI) of every student was also assessed. The camp started with a small introduction and discussion related to the importance of good health and how to maintain it. The doctors lauded the efforts taken by the school in terms of the Sports facilities provided.

New Dimensions

Learning seldom ceases- Workshops for Qualitative Improvement of the teachers

Effective teaching is very important in shaping and moulding the students in a desired way. Teaching is a passion and commitment and not a mere profession. A workshop was conducted on this theme for the teachers on 27th May, 2016 by Mr. Paranjape, an octogenarian eminent educationist of the nation.

Teachers were actively involved in the workshop and group discussions. The workshop highlighted the significance of

teaching, different styles and approaches and the effective delivery in the classrooms. It also highlighted the significance of self-learning in the existing dynamic and ever-changing environment.

Another workshop on Team Building was organized by Shri Ram Education Trust (SRET) team for the teachers.

Boarding Corner

Boarding Life is an exciting phase in one's life when several new and highly valuable experiences get added and it acts as a gateway towards higher level of self-dependence, confidence and preparedness for all kinds of situations. The Boarding Facility at the school is an ideal example of tastefully designed, highly secured and vibrant structure adequately equipped with best available facilities. But one of the most important elements that exists in abundance here is the human touch. The wardens and residential teachers shower love, affection and show warmth towards each boarder but maintaining discipline and decorum is a must for each one without any exception.
